Kinma School

proudly presents

A National Family Week Event:

A public talk by internationally acclaimed author,
Robin Grille "Parents were children once"

in celebration of his latest book:
HEART TO HEART PARENTING
Nurturing your child's emotional intelligence
from conception to school age

Do you ever feel baffled by your baby or child, and stuck
wondering how to respond?

How can you learn to better understand your child
from the inside?

The key to your own wisdom and intuition as a parent lies
in your body-memory of having been a child yourself. Revisiting
our own childhood is something we don't do
often enough – and yet, our 'inner-child' memory holds
so many answers!

Robin invites you on a journey to connect with your
'inner-child', so you can:

- **Hone your parenting intuition •**
- **Understand your child – *from the inside* •**
- **Enhance the two-way communication between
you and your child •**
- **Make the parenting relationship more joyous and alive •**

*"Inside every parent is the blueprint to intuit exactly what
is right for their children – beyond formulas and fads.
Robin Grille ignites that blueprint, validates its wisdom and
provokes it into action in a book that dares to give parents
back their dignity and their sovereignty. In so doing, Heart
to Heart Parenting is a journey into meaningful, authentic
connection with ourselves and our children, and a
discovery of our human birthright – peace and love."*
